By signing below I agree to contact CRCS should I not be able to care for this dog in the way I had intended. I understand that CRCS is willing to help me do this. I also understand CRCS will want the dog back should I not be able to provide the correct environment for him/her, or follow this agreement that I am about to make. I understand that I am now the sole caregiver for this dog and it is my responsibility to protect him/her from environments that may be harmful to his/her well-being. I am adopting a new family member and I will treat it as such.
